BUIST'S

PRELIMINARY WHOLESALE PRICE CURRENT

GARDEN SEEDS

**Buist's Prize Medal
Garden Seeds**

WE SELL 10 POUNDS OR OVER AT 100 POUND QUOTATION.

YOUR GARDEN SEED TRADE CAN BE VERY MUCH INCREASED by handling Buist's Prize Medal Seed; they are not only the most Popular, but the most Salable. No profit is ever made by the merchant in handling cheap seeds, as he quickly loses both trade and reputation—they are either old stock or of an inferior quality.

THESE QUOTATIONS are for prompt orders, which we book now and ship at date desired. IF YOU ARE a large purchaser of seeds, write for special prices, enclosing a list of your requirements.

NOTICE.—The Buist's Morning Star Pea which we introduced a few years since is the earliest and most productive variety known, and regarded by Market Gardeners as their best and most profitable shipping variety. We recommend them to those who wish a Gilt-Edge Stock of Extra Earlys for their trade. There are more of them sold than any other brand. For protection to ourselves and to insure the purchaser true stock, we sell them only in our Sealed Packages and lead sealed Sacks. The latter are of green muslin and contain $\frac{1}{8}$, $\frac{1}{4}$, $\frac{1}{2}$, or one bushel each. Buist's Morning Star offered in any other way is spurious stock. To secure the true variety order direct from our house.

~~The~~ The crop of all choice grades of Extra Early Peas is almost an entire failure this season, they will be very scarce; secure your supply early.

~~Over~~ Over one-half the Peas sold in this country are grown without any regard to their purity—the result is the varieties become very much mixed, are full of runners, and produce very small pods. All low priced Peas offered are of this stamp.

COLLARDS.

WE MAKE the growing of Collard Seed a specialty, and annually sell more seed than any other house in the trade. It is acknowledged that we have the best heading White Stem Cabbage Collards known in the South. The great importance of securing a fine strain is well known by every Southern merchant, as it is one of their most important crops. The cheap Seed offered by the trade is imported from England and is more of a Kale or Wild Cabbage than Collards, and causes great dissatisfaction.

Buist's Garden Guide for '98

Contains 136 pages of useful information on gardening.

Are supplied to our customers for distribution to their trade, it contains monthly operations for the garden. It is the most useful and attractive garden manual published.

If you wish to increase your Seed Trade, sell those grown by BUIST, as they are grown from Selected Seed Stocks and are as near perfection as can be produced, and are sold at low prices.

Another great feature in favor of our establishment is that we Commission no Seeds and therefore have no old stocks returned, we know what we require for our trade and grow accordingly. The great outlet for old seeds which commission houses have is in supplying seeds in bulk, which are generally purchased by the inexperienced merchant "because cheap," but unfortunately he never considers the great distress such seeds cause those who sow them.
